

## FROM THE PRINCIPAL

Dear Parents and Community Members,

Dear Parents and Community Members,  
Because we are a K-2 elementary school our report card looks very different from the other schools in the district. State testing begins in the 3rd grade. It is our job to prepare the students for the rigor of third grade as well as for the assessment. Our scores are tied with the scores from Lewis and Clark Elementary which serves our 3-5 grades.

Thank you,

Principal | Kate Gohr

## STUDENTS

## OVERALL SCHOOL RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

**The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.**

## CURRICULUM & LEARNING ENVIRONMENT WHAT IS THIS SCHOOL DOING TO IMPROVE STUDENT LEARNING AND TO PREPARE STUDENTS FOR THE FUTURE?

### SCHOOL READINESS

This year we will screen all students in reading and math three times a year so that we can track their progress. This will help us to identify students who are in need of extra help in reading or math. John Jacob Astor Elementary is also involved in the P-3 alignment. In order for Oregon to reach our 40-40-20 goal and

close opportunity gaps, we must work together to create a truly seamless system of education for all children. Astor Elementary also works with organizations such as Head Start, Early Intervention, and the Hispanic Council to help prepare students for school.

### ACADEMIC SUPPORT

John Jacob Astor is a Title One school. We serve students who have math and reading needs through our Title One program. Students also receive grade level intervention periods four times a week for 30 minutes.

### ACADEMIC ENRICHMENT

Academic enrichment opportunities are available four times a week for 30 minutes in both reading and math.
