

FROM THE PRINCIPAL

Dear Parents and Community Members,

Dear Parents and Community Members,

This annual report card issued by the Oregon Department of Education offers a comprehensive picture of what Lewis & Clark Elementary School offers. The following information helps to give you a snapshot of the work we do each and every day!

Lewis & Clark Elementary school provides an excellent, well-rounded education in a welcoming and caring environment where every child is valued and motivated to learn. Our teachers know their students—their individual strengths, challenges and passions—and strive to spark a love of learning in every child. Our ongoing efforts to help all students succeed includes implementing the Common Core State Standards, supporting students' social development and fostering a caring school community, monitoring each student's

learning progress so teachers know where to provide extra challenges or additional help and helping students to develop a love of learning, a growth mindset and a spirit of perseverance.

Thank you for being engaged in your child's education. All students benefit from active attention and support at home. Some ways you can help are reading with your child at home, providing encouragement and a quiet study space for homework, communicating with your child's teacher, attending parent/teacher conferences and, if you're able, and volunteering at the school.

We look forward to partnering with you to help your student have a great year.

Thank you,

Principal | Brian Ploghoft

OVERALL SCHOOL RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.
